2. BACKGROUND

2.1 On April 1, 2011, a class action lawsuit was filed in the U.S. District Court for the Northern District of Illinois. The case is currently titled *Luis Ochoa, Francisco Martinez and Januario Salgado, on behalf of themselves and other similarly situated persons v. Fresh Farms International market Inc., Dean Svigos, individually, and Mike Svigos, individually*, Case 11 C 2229.

2.2 Count I of the Complaint alleges a violation of the Fair Labor Standards Act (“FLSA”) on an individual basis based on allegations of Fresh farms’ violation of the FLSA statutory overtime provision. Count II alleges a class-wide violation of the Illinois Minimum Wage Law (“IMWL”) overtime provision based on allegations of Fresh farms’ violation of the IMWL statutory overtime provision.

2.3 The Parties now jointly seek to certify a class of persons, for settlement purposes only, that falls within Plaintiffs’ FLSA and IMWL claims.

3. SCOPE, PURPOSE AND BENEFITS OF THE SETTLEMENT

3.1 This Agreement is intended to, and does effectuate, the full, final, and complete resolution of the Litigation as to Fresh Farms. In exchange for the consideration offered herein, the Named Plaintiffs will provide Fresh Farms with a full and complete release, as defined in Section 7 of this Agreement.

3.2 This Agreement identifies the procedures for notice to class members and calculation of subsequent claims for owed minimum, overtime and other owed wages by class members resulting from Fresh Farms’ alleged practice of compensating Plaintiffs and the class at their regular rate of pay for all hours worked, including hours worked in excess of forty (40) hours in individual work weeks. This claims procedure will be subject to the Class Settlement Fund cap of \$ 150,000.00. This procedure will resolve Plaintiffs’ and Class Members’ overtime wage claims alleged under Counts I and II in the Complaint.

3.3 The Parties agree that based on the claims made and the remedies available in this litigation, one-half of each settlement payment to Payees shall constitute back wage payments subject to all required employer paid payroll taxes and deductions and the remaining one-half of each settlement payment constitutes payment for liquidated damages, penalties, prejudgment interest and/or consideration for each Named Plaintiff of Class Member's release of claims.

3.4 Named Plaintiffs and Fresh Farms do not abandon the respective positions they have taken throughout the course of the Litigation. Nonetheless, they recognize that continued litigation would be protracted, expensive, uncertain, and contrary to their best interests. In light of this recognition, Named Plaintiffs and Fresh Farms believe that this Settlement is the best way to resolve the Litigation as between them.

4. JURISDICTION

The Court has jurisdiction over the Parties, Class Members and the subject matter of the Litigation. The Parties shall seek the Court's consent to retain jurisdiction of the Litigation for the purpose of interpreting, implementing, and enforcing this Agreement consistent with the terms herein.

5. FRESH FARMS' STATEMENT OF NO ADMISSION OF LIABILITY; NO EVIDENTIARY EFFECT

5.1 This Agreement, including all exhibits and related documents presented in the course of litigation and/or settlement negotiations, do not constitute, and are not intended to constitute, and will not be deemed to constitute, an admission by Fresh Farms or any of the other Released Parties as to the merits of the allegations or claims made in the Litigation.

5.2 Nothing in this Agreement, including any action taken in implementation thereof, any statements, discussions or communications, and any materials prepared, exchanged, issued or used during the course of the Litigation or the negotiations leading to the Agreement, is intended to be introduced, be used or be admissible in any way in the Litigation or any other judicial, arbitral, administrative, investigative or other forum or proceeding as evidence of any violation of any federal, state, or local law, statute, ordinance, regulation, rule or executive order, or any obligation or duty at law or in equity. Notwithstanding the foregoing, the Agreement may be used in any proceeding in the Court that has as its purpose the interpretation,

implementation, or enforcement of the Agreement or any orders or judgments of the Court entered in connection therewith.

5.3 In the event that this Agreement is not approved by the Court or by an appellate court, Fresh Farms will not be deemed to have waived, limited, or affected in any way any objections or defenses in the Litigation.

6. DEFINITION OF SETTLEMENT CLASS

6.1 In order to implement the terms of this Agreement, Named Plaintiffs and Fresh Farms agree to seek certification by the Court of the following settlement class, pursuant to Fed. R. Civ. P. 23:

All persons employed by Fresh Farms from April 1, 2008 through April 1, 2011 in an hourly position but who were allegedly not paid overtime wages for all time worked in excess of forty (40) hours in individual work weeks.

6.2 The procedure by which settlement payments will be calculated for Class Members who make a claim are set forth in Section 9 below.

7. WAIVER, RELEASE AND DISMISSAL

7.1 General Release of Claims by the Named Plaintiffs

In addition to the foregoing, the Named Plaintiffs, on behalf of themselves and their heirs, legatees, personal representatives and assigns, hereby release and discharge Fresh Farms from any actions, claims, charges, demands, liabilities, obligations, fees, or suits of any kind, whether known or unknown, which the Named Plaintiffs have, have had or may have arising from their employment with Fresh Farms, from the beginning of time through the Effective Date of this Agreement. Without limiting the generality of the foregoing, this release includes: (i) any claims or allegations asserting discriminatory termination, harassment or retaliation; (ii) all claims under the FLSA, 29 U.S.C. § 201, *et seq.*, the IMWL, 820 ILCS 105/1, *et seq.*, the

IWPCA, 820 ILCS 115/1, *et seq.*, Title VII, 42 U.S.C. §§ 2000e *et seq.*, Section 1981, the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101, *et seq.*, the Family and Medical Leave Act of 1993, 29 U.S.C. §§ 2601, *et seq.*, the Employee Retirement Income Security Act of 1973 as amended, 29 U.S.C. §§ 1001, *et seq.*, the National Labor Relations Act as amended, 29 U.S.C. §§ 151, *et seq.*, the Occupational Safety and Health Act of 1970 as amended, 29 U.S.C. §§ 651 *et seq.*, and the Illinois Human Rights Act, as amended, 775 ILCS §§ 5/1, *et seq.*; (iii) any other federal, state, county or local statute, ordinance, regulation or order concerning the rights of employees; and (iv) all employment-related claims under the common law of any state, whether in tort, contract or otherwise. The Named Plaintiffs will be required to execute a General Release, in the form attached hereto as Exhibit E, as condition to receiving any payments to which they are entitled under Section 11 below.

7.2 Binding Effect of Waiver and Release of Claims

Upon the Court's issuance of the Final Order, the general release of claims shall be binding on the Named Plaintiffs and shall be binding on their heirs, legatees, personal representatives and assigns, or anyone claiming through them. Further, this waiver and release of claims shall inure to the benefit of Fresh Farms.

7.3 Settlement of claims for all overtime wages for the period they were employed by Fresh Farms.

Upon the Court's issuance of the Final Order, this Agreement shall act as a full and final settlement of all claims arising under Counts I and II the Complaint for all Class Members who do not opt out of the Litigation as against Fresh Farms.

8. CONDITIONS OF SETTLEMENT

8.1 This Stipulation of Settlement is expressly contingent on the following conditions precedent:

8.1.1 The Court preliminarily approves this Stipulation of Settlement and the Notice and Claim Form;

8.1.2 The Court certifies the Class as defined in Section 6;

8.1.3 The Court conducts a Fairness Hearing; and

8.1.4 The Court issues a Final Order approving this Stipulation of Settlement and dismissing the Litigation as provided in Section 10, but retaining jurisdiction for the purpose of interpreting, implementing, and enforcing this Agreement consistent with the terms herein and all appeals are resolved and agreement finally approved.

8.2 The Parties hereby covenant and agree to cooperate reasonably and in good faith for the purpose of implementing and achieving the conditions set forth above, including without limitation, timely filing of all motions, papers and evidence necessary to do so, and refraining from causing or encouraging directly or indirectly any appeal or institution of other action or proceedings seeking review of the Final Order or seeking the assertion of any cause of action contemplated or released by this Stipulation of Settlement. The Parties further agree that the case shall be stayed in all respects during the process of satisfying the conditions precedent as provided herein, until the entry of a Final Order is no longer a possibility as determined by this Court or a court of appeal.

8.3 The Parties' counsel shall jointly move for Preliminary Approval of this Settlement.

8.5 In the event that the Court does not enter a Final Order for any reason that cannot be cured by the Parties, or, in the event of an appeal, the Final order is not upheld, all matters

covered by this Agreement shall be null and void and Fresh Farms shall be under no obligation to pay any payment under this Agreement and nothing in this Stipulation of Settlement shall be used or construed by or against any Party as a determination, admission, or concession of any issue of law or fact in the litigation. Further, should a Final Order not be entered and/or upheld on appeal, the Parties shall not have waived, and expressly reserve, their respective rights with regard to the prosecution and defense of the Litigation, as if this Stipulation of Settlement never existed.

9. NOTICE, FILING OF CLAIMS AND OPPORTUNITY TO OPT-OUT

9.1 Class Action Notice to the Class Members

A Class Action Notice of this Litigation and Agreement shall be mailed to the Class Members, along with a Claim Form. The Class Action Notice shall include a description of the procedures to bring a claim and the procedure for determining the amount of the settlement claim owed to the Class Member, if any. The Class Action Notice will also include a description of the terms of the settlement of the Employment Notice claim.

9.1.1 Mailed or Distributed Class Action Notice.

No later than seven (7) days after the Court's Preliminary Approval, Fresh Farms shall tender to the Claims Administrator the most current address information Fresh Farms has in its records for each Class Member. The claims Administrator shall not use the names and addresses provided by Fresh Farms for any purpose other than the mailing of the Class Action Notice.

9.1.1.1. Mailing of Class Action Notice: No later than seven (7) days thereafter, the Claims Administrator shall mail a Class Action Notice and Claim Form to each Class Member via first-class U.S. mail. Within fourteen (14) days of mailing, the Claims Administrator shall provide the Parties' Counsel with a list of

the names and contact information for all persons to whom Class Action Notice was sent, and the date or dates on which Class Action Notices were sent. The Claims Administrator shall notify the Parties' Counsel of any Class Member whose Notice of Class Action is returned as undelivered. Class Counsel shall bear the cost of printing and the cost of mailing the Class Action Notice and Fresh Farms shall bear the cost of its own labor or expenses incidental to producing the class list.

9.1.1.2 Second Mailing: The Claims Administrator shall promptly conduct a Second Mailing for any Class Member whose Class Action Notice and Claim Form is returned as undelivered and for whom a forwarding address is provided by the U.S. Postal Service within fourteen (14) days of the date of the First Mailing of Class Action Notice. If after this Second Mailing the Class Action Notice and Claim Form are again returned as undelivered, or if no different current address can be reasonably determined, the noticed mailing process shall end for that Class Member, who will be deemed not to have opted out of the Settlement and shall be bound by this Agreement. The Second Mailing shall be completed no later than twenty-one (21) days after the First Mailing. No later than fourteen (14) days after the completion of the Second Mailing, the Claims Administrator shall provide the Parties' Counsel with a list of the names and contact information of all Class Members to whom Class Action Notice and Claim Form was sent as part of the Second Mailing, and the date or dates of that mailing. Class Counsel shall bear the cost of the Second Mailing.

9.2 Monetary Relief

9.2.1 Claims for Overtime Wages: All Class Members must file a claim for overtime wages by submitting a Claim Form to the Claims Administrator no later than the Filing Deadline to be eligible to receive a pro rata share of the Class Settlement Fund.

9.2.2 Calculation of Overtime Damages: As the allegations in this Lawsuit involve alleged “off-the-clock” work, few records exist that would allow the Parties to calculate unpaid overtime wages with specificity. Therefore the Parties have negotiated an amount of overtime wages for each week work based on the average overtime wages allegedly owed to the Named Plaintiffs. Therefore, all Class Members shall be deemed to be owed \$32.05 for each work week in which they worked at least 40 hours or more during the Class Period.

9.2.3 Calculation of Settlement Payments: Any Class Member who properly files a Claim shall be entitled to receive the full amount of the calculation of their claim, as calculated pursuant to the procedures specified in Section 9.2.1 and Section 9.2.2, above, (“Full Individual Payee Damages”) so long as the aggregate amount for all Payees does not exceed the amount of the Class Settlement Fund. In the event the aggregate amount of Full Payee Damages exceeds the amount of the Class Settlement Fund, each payee shall be entitled to a *pro rata* share of the Class Settlement Fund as calculated by the following formula:

$(Full\ Individual\ Payee\ Damages \div Total\ of\ all\ Individual\ Payee\ Damages) * Class\ Settlement\ Fund$

9.2.4 Notwithstanding any other provision of this Agreement, the formula applied in this paragraph is utilized solely for purposes of determining each member's share of the available settlement proceeds.

9.3 Opportunity to Opt Out and Opt-Out Period

A Class Member electing to be excluded from this Settlement and the Litigation must file with the Court a written request no later than the Filing Deadline, and the written request shall be served on the Parties' Counsel. The Filing Deadline applies notwithstanding any assertion of non-receipt of the Notice of Class Action by any Class Member.

This Agreement and Final Order shall not apply to persons who opt out of the Litigation. Any such person shall be excluded from the Settlement, and shall not be entitled to any monetary damages pursuant to this Agreement. The Preliminary Approval Order shall provide that no putative Class Member shall purport to exercise any exclusion rights of any other person, or purport to opt out other Class Members as a group, aggregate, or class involving more than one Class Member, or as an agent or representative. Any such purported opt-outs shall be void, and the Class Members that are the subject of the purported opt-out shall be treated as Settlement Class Members for all purposes.

9.4 Class Counsel's Communication With The Class Members

Class Counsel shall respond to any communications or inquiries by any Class Members. To the extent such communications or inquiries regard the meaning of the terms of the Settlement and that Class Counsel believe in good faith to concern an ambiguity in the Agreement that could result in confusion among Class Members, Fresh Farms' Counsel shall be given prompt notice by Class Counsel of such communications or inquiries and the response(s) thereto, provided however that nothing within this Section 9 shall constitute a waiver of the

attorney-client privilege with respect to privileged communications between Class Counsel and any Class Member.

10. COURT PROCEEDINGS

This Agreement establishes procedures to secure final Court approval of the Settlement. These procedures are governed exclusively by the terms and conditions set forth in this Agreement.

10.1 This Agreement shall be filed with the Court for purposes of obtaining the Court's Preliminary Approval. The Parties shall execute this Agreement within fourteen (14) days of the Court granting Preliminary Approval of this Agreement.

10.2 Fairness Hearing

On a date to be scheduled by the Court, the Court shall conduct a Fairness Hearing for purposes of reviewing the Settlement, evaluating objections by Class Members, if any, and deciding whether to issue a Final Order granting final approval of this Agreement, dismissing Counts I and Count II the Complaint as to the Named Plaintiffs with prejudice and Counts I and Count II of the Complaint as to Class Members with prejudice. As a part of the Parties' Agreed Motion for Final Approval of Class Settlement, the Parties shall include all relevant information and reports regarding notice to the class.

10.3 This Agreement is contingent on the issuance of the Final Order. The Parties agree to take all steps as may be necessary to secure the Court's approval of this Agreement, to the extent not inconsistent with the terms of this Agreement. The Parties further agree that they will not take any action adverse to each other in obtaining Court approval, and, if necessary, appellate approval, of the Agreement. The Parties expressly agree that they will not file any objection (other than a request for correction) to the terms of this Agreement and will not assist or encourage any person or entity to file any such objection.

**NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED SETTLEMENT
AND FAIRNESS HEARING**

TO: All current and former employees of Fresh Farms International Market, Inc., who worked for Defendant in Illinois and did not receive overtime wages for all time worked in excess of forty (40) hours in individual work weeks between April 1, 2008 through April 1, 2011.

<p>Please Read This Notice Carefully. This Notice Relates to a Proposed Class Action Settlement of Litigation. If You are a Class Member, it Contains Important Information as to Your Rights.</p>

What is this Notice about?

This Notice is to tell you about the Settlement of a “class action” lawsuit that was filed against Fresh Farms International Market, Inc., (“Fresh Farms” or “Defendant”) and to tell you about a “Fairness Hearing” before the Honorable District Court Judge William J. Hibbler on _____ at _____.m. in Courtroom 1225 of the United States District Courthouse, located at 219 South Dearborn Avenue, Chicago, Illinois 60604, to determine whether the proposed settlement described in the Stipulation of Settlement (the “Settlement”) fairly resolves the claims against Defendant Fresh Farms as explained below.

What is the Litigation about?

On April 1, 2011, a class action lawsuit was filed in the U.S. District Court for the Northern District of Illinois. The case is currently titled *Luis Ochoa, Francisco Martinez and Januario Salgado, on behalf of themselves and other similarly situated persons v. Fresh Farms International Market, Inc., Dean Svigos, individually, and Mike Svigos, individually*, Case No. 11 C 2229.

Plaintiffs allege that they and similarly situated employees of Fresh Farms were not compensated for overtime hours worked at the required overtime wage rate. Count I of the Complaint alleges a violation of the Fair Labor Standards Act (“FLSA”) on an individual basis based on allegations of Fresh farms’ violation of the FLSA statutory overtime provision. Count II alleges a class-wide violation of the Illinois Minimum Wage Law

(“IMWL”) overtime provision based on allegations of Fresh farms’ violation of the IMWL statutory overtime provision.

Why did I get this Notice?

You received this Notice because the lawyers for the Plaintiffs and Defendant identified you as a person in the Overtime Pay Class, defined as:

All persons employed by Fresh Farms from April 1, 2008 through April 1, 2011 in an hourly position but who were allegedly not paid overtime wages for all time worked in excess of forty (40) hours in individual work weeks.

If you received this Notice, you are eligible to participate in the Settlement and may be eligible to compensation as described below.

What is the “Settlement” and how was it agreed upon?

The Settlement is a compromise of Plaintiffs’ claims in the Litigation and is not to be construed as an admission of liability on the part of Defendant. The Court has granted preliminary approval of the Settlement, and the Named Plaintiffs and Fresh Farms (collectively, “the Parties”) are now seeking final Court approval, which is required for the Settlement to become effective. The Settlement includes a procedure for eligible persons to receive money for claimed overtime wages. Plaintiffs believe that the claims asserted in the Litigation have merit. Defendant does not believe that the claims asserted in the Litigation have merit. There has been no determination by any court, administrative agency, or other tribunal as to the truth or validity of the factual allegations made against Defendant in this Litigation.

Substantial amounts of time, energy, and other resources have been devoted by the Parties in prosecuting and in defending the Litigation. Unless there is a settlement, that Litigation will continue. In settlement negotiations, the Parties have taken into account the uncertainty of the outcome and the risk of litigation. In light of these factors, the Parties believe that the Settlement is the best way to resolve the Litigation while minimizing further expenditures.

The Parties and their attorneys believe that the Settlement is fair, reasonable and adequate, and in the best interests of all Parties, including the Settlement Class.

What are the terms of the Settlement?

Fresh Farms has agreed to pay a Settlement Amount of \$275,000.00 to resolve all claims in this Lawsuit as described in the Stipulation of Settlement. This amount includes the following payments: \$150,000.00 in settlement of all potential claims of Class Members (the “Class Settlement Fund”); \$75,000.00 for payments to the Named Plaintiffs; and \$50,000.00 as payment of past and future attorneys’ fees and reasonable costs to Class Counsel.

All of the terms of the Stipulation of Settlement of this matter may be received by contacting the Clerk of the Circuit Court as described below.

What am I entitled to recover under the Settlement?

You, as a putative class member, are entitled to receive a *pro rata* share of the Class Settlement Fund based on the overtime pay which Plaintiffs allege you earned during your employment with Fresh Farms and for

which you were not compensated for the Overtime Pay Class Period defined above (“Individual Settlement Amount”). The calculation will be as follows:

$$(Individual\ Settlement\ Amount/Total\ Settlement\ Amounts) * Class\ Settlement\ Fund$$

How do I receive a Settlement Award?

To receive a part of the Class Settlement Fund, you must complete and sign the Claim Form without alteration or amendment and return it to the Class Counsel no later than 60 days of the original postmark date of the Claim Form. *If you do not timely complete and return a Claim Form, you will not receive a Monetary Settlement Award.*

Am I required to participate in the Settlement?

No, you may “opt-out” of the Settlement if you comply with the opt-out procedure stated below. To opt-out, you must file with the Clerk of the United States District Court for the Northern District of Illinois, 219 S. Dearborn, 20th Floor, Chicago, IL 60604, a written statement expressing your desire to be excluded from the Settlement in *Ochoa, et al. v. Fresh Farms International Market, Inc.* no later than 60 days of the original postmark of this Notice.

You must mail copies of the “opt-out” statement to Class Counsel and to Defendant’s Counsel at the addresses listed below. **The “opt-out” statement must be postmarked no later than 60 days of the original postmark of this Notice to be effective.** The statement must include your name, current address and current telephone number. Persons who elect to opt-out of the Settlement will not be entitled to receive any of the Settlement proceeds in this Litigation. **If you opt-out of the Settlement you will not recover any money as part of this Settlement.** You may, however, pursue other legal remedies apart from the Settlement that may be available to you. Neither the Parties nor their attorneys make any representations to you regarding what, if any, legal remedies are available to you should you choose to opt-out. **YOU SHOULD NOT OPT-OUT IF YOU WISH TO PARTICIPATE IN THE SETTLEMENT.**

What is the Fairness Hearing and do I need to attend?

The purpose of the Fairness Hearing in this case is to determine whether the proposed Settlement of the Litigation is fair, reasonable and adequate, and whether the proposed Settlement should be finally approved by the Court and the Litigation dismissed. **Any Class Member who is satisfied with the proposed Settlement does not have to appear at the Fairness Hearing.**

Any person who has not validly and timely opted-out of the Settlement but who objects to the proposed Settlement may appear in person or through counsel at the Fairness Hearing and be heard as to why the Settlement should not be approved as fair, reasonable and adequate, or why a final judgment should or should not be entered dismissing the Litigation with prejudice. No attorneys’ fees will be paid by Defendant to an objector’s counsel for any work related to an objection to this Settlement. No person will be heard or entitled to object, and no papers or briefs submitted by any such Class Member will be received or considered by the Court unless, on or before _____, the Class Member files with the Court and serves upon Class Counsel and Defendant’s Counsel written notice of intention to appear at the Fairness Hearing together with copies of all papers and briefs proposed to be submitted to the Court at the Fairness Hearing. Any documents filed with the Court must be mailed to Class Counsel and Defendant’s Counsel listed below:

When is the Court hearing to determine if the Settlement is fair?

The Fairness Hearing will be held before the Honorable Judge William J. Hibbler on _____ at _____ .m. in Courtroom 1225 of the United States District Courthouse located at 219 South Dearborn Avenue, Chicago, Illinois 60604. The Fairness Hearing may be adjourned from time to time as the Court may direct, without further notification.

If you are a member of the Settlement Class, you will be bound by the proposed Settlement if it is approved, unless you opt-out by making a timely opt-out request as described above.

What rights am I giving up if I participate in the Settlement?

Persons who do not opt out of the Settlement will release and discharge, on behalf of themselves and their heirs, legatees, personal representatives and assigns, Fresh Farms International Market, Inc. and its parents, divisions, subsidiaries, partnerships, affiliates, and benefit plans and all of their past, present, and future trustees, fiduciaries, shareholders, administrators, directors, officers, agents, partners, members, principals, employees, insurers and attorneys, for all claims for unpaid overtime wages that were asserted in the lawsuit entitled *Ochoa et al. v. Fresh Farms International Market, Inc.*, Case No. 11 C 2229.

How are the lawyers for the Settlement Class Paid?

Subject to Court approval, Class Counsel will receive \$50,000.00 of the Settlement Amount, for all past and future attorneys' fees and reasonable costs incurred or that will be incurred in this Litigation as set forth in the Stipulation of Settlement. Fresh Farms International Market, Inc. will make this payment in addition to the maximum total Class Settlement Fund of \$ 150,000.00 and such payment will not affect the amount of money available for claims from Class Members.

Can I review a copy of the Settlement or other papers that were filed with the Court?

Yes, for a detailed statement of the matters involved in the Litigation and the proposed Settlement, you may review the pleadings and other papers filed in the Litigation, which may be inspected at the Office of the Clerk of the United States District Court, 219 S. Dearborn St., Chicago, Illinois, 60604, during regular business hours of each court day. All inquiries by Class Members about the Settlement should be directed to Class Counsel.
